# PROCUREMENT

VIANU makes custom insoles for employees who stand and walk for many hours. You manage suppliers and procurement for several sites. A pilot with 10 pairs shows whether ordering and delivery run without special cases.

## WHAT YOU NEED IN THE PROCUREMENT CONVERSATION

| | |
|---|---|
| **PRICE** | EUR 120 per pair, plus VAT. Pilot: 10 pairs, EUR 1,200 plus VAT. |
| **QUANTITY** | Apart from the pilot, no minimum quantity. Individual persons are not supplied. |
| **ORDERING** | Contact form, video meeting if needed, offer by email, payment by invoice within 14 days. |
| **DELIVERY** | Printed in Germany within 48 hours, delivered at the latest 7 days after the foot capture. Remade within 7 days. |
| **BRAND** | Name and company logo are printed on the insole. |

**Next step: Check the pilot offer against the procurement standards and tie the approval to a clear process. Contact: Roderich Körner-Rehn. Get in touch on the VIANU B2B page.**
