WHO DECIDES WITH YOU?

HR

A BENEFIT YOUR TEAM NOTICES IN EVERY SHIFT.

A pilot with 10 employees shows you whether your team wears and values the insole. The effort for your HR department has not been determined yet.

WHAT YOU NEED TO BE ABLE TO REPRESENT IN THE MEETING

THE ROLE'S QUESTION	How do I strengthen retention and appreciation without extra effort?
CORE MESSAGE	**“A BENEFIT YOUR TEAM NOTICES IN EVERY SHIFT.”**
HOW THIS PAGE SEES IT	Start with a clearly limited pilot group, record comfort and acceptance, and then decide on expansion.
THE PILOT COUNTS AS A SUCCESS IF	participation is free of pressure, feedback on comfort is mostly positive, and shift leads report no additional coordination effort.
WHAT IT TAKES BEFORE APPROVAL	Pilot process, how participants are approached, data protection, individual assignment and a simple logic for feedback.
